I didn't have the privilege of knowing Connie Jo for very long, but in the short amount of time that I was privileged to know her, the one thing about her I will remember most is her infectious smile. I don't recall ever having seen Connie with anything but a smile upon her face. I will miss Connie and her infectious smile. One day I will see her smile again in heaven and I look forward to it.

“ *Playing with Connie when we were kids at Aunt Mae's house, recent contact when we wished each other happy birthday and she called me "cuz". We lost touch, as people seem to do. But you don't forget childhood memories and those who have a piece of your heart, no matter how long it's been. I am so very sorry for Connie's passing and for the loss of your beautiful daughter. So many posts on face book of scriptures and her love and passion for The Lord. She strengthened many people through those scriptures and I am so happy she knew God and her savior! I pray you find some comfort in that and that the Good Lord, blesses and keeps you and allows memories without pain. I love you guys, all of Connie's family and pray the days to come will be as easy as possible through Christ Jesus. Blessings to you all! I am so sorry.*

“ *Me and Connie Jo met when I was 21 yrs old, we became fast friends and shared 30 yrs as friends. I watched her son Brandon grow up and attended many sports games that he was involved in. We helped each other move many times and enjoyed watching OU football games as well as others through the years. She was like a sister to me and I will miss her greatly. She was a kind soul and very smart and fun to be around. She always lite up a room when she entered it.*

“ My sincere condolences to the Lee family. I do remember in H.S. that her and Dana Torix were thick as thieves. Where you seen one, you seen the other. RIP, Connie. Thankful you are not in pain no more.

“ The Lees and the Sargent kids all grow up together. We have a lot of great memories of basketball games at Oak Dale riding the bus to each other house, sleep overs. Connie could make you laugh and her whole face would light up when she would laugh about something little brother David would do. We all went to Church together, belonged to the round-up club and Connie was always there to make you feel better and put a smile on your face. She loved here family and my heart and prayers are with you all. She will be missed, but we'll see her and Cindy and Nana Lee again. Love Janet Watkins.

“*This is truly sad and, Connie was still very young. Connie was a very nice person and, I remember she had a very infectious sense of humour, that brought with it a big, beautiful smile. I honestly don't ever remember her ever being mean but, I could tell she was a protective kind of friend. She will be/is missed very much and, my heart goes out to her family and, closest of friends.*”

“ I recently saw Connie JO. She hasn't changed From High School. Her smile will not be forgotten. She basically wore the same hairstyle all these years. There was a group of us that hung out together from the band. What one didn't come up with the other did. if someone messed with one of us, you made sure they had the whole group to deal with. I'm sorry we have not spoke in awhile. If we .where there.if not physical, we were spiritually. This earth is just our temporary home. You can rest now, you are at that special resting place set just for you.

“ I don't think I ever saw Connie when she wasn't smiling. And if you knew Connie, I don't have to tell you how to nfectious her smile was! Barbara and John - you raised some amazing kids! I told Cheryl - I'm betting Connie and Cindy have Keith by the hand and they are dancing like nobody's watching!
