“ To my niece Cindy, whom I never got to know since you were a little girl out here in Illinois, I wish I could turn back the pages and have been in touch with you as a grown woman and to have shared with you some of your life as a daughter, sister, wife, mother, dear niece and friend. All too often we get wrapped up in our own daily lives and let precious years go by until one day you realize just how short and precious life is. It was just a short time ago your family lost your nephew, so young, and so very painful. They had to endure that and now so soon and still young they suffer the pain of losing you. You had a great love for your family and friends as you yourself endured some of life's trials. I have faith you will be rewarded for your goodness here on earth and be embraced by our heavenly father. To your family, they have my deepest sympathy, and I really do know the pain and suffering they will go through now in their losses. Keep your faith and you will be with Cindy again.

“ *The Triopia community (Arenzville, Concord, and Chapin, Illinois) sends our condolences to Cynthia's family. Many of us remember being in school at Arenzville Grade School and Triopia Jr. Sr. High with the Draper "kids". I remember Yvonne being in my class. (Actually, I remember specifically the cool wooden-heeled clogs that both Yvonne and Cynthia wore!. The late '70's fashion at it's best!) Our childhood classmates and friends always remain in our hearts for our lifetime. God bless your family as you grieve the loss of Cynthia.*
