“ Debbie....I was so sorry to hear that your Dad had passed. I didn't know about your dad until Rosemary Mills told me. I share your grief knowing what it is to lose your father. There is nothing I can say to give you comfort, only know this if I had known I certainly would have contacted you sooner. I know you loved Dee so much and I know that you were a good daughter and that he loved you too. I have treasured your friendship and want you to know if there is anything you need, let me know. I love you like a daughter and you have always been there for me. I will continue to pray for you and your family.

May God richly bless you and keep you.

Uncle Dee, you were my very favorite Uncle on Jack's side. I have always loved you and cared for you. By the way, Jack is gone now, and how are you going to keep your word that you want to marry me when he was gone? I am so sorry for the girls loss, but I know that he is better off. I LOVE YOU UNCLE DEE!

You will be greatly missed. So sorry that I can't make the funeral. Tell my love I said hello up there.
