“ The Foreman family is really heartbroken to hear about Dale's passing. Pam and Dale have known my family for years, and have basically been a part of my whole life. He will be greatly missed by Gary, my dad, my mom Brenda and I. Dale, We love you so much and will miss you. We know that you are now, running and doing all those crazy things that you use to do when you would come camping with us. I'm heartbroken that you are gone, but i know in my heart that you will be here, with us in spirit, watching over Pam and probably pulling your silly pranks on her and the rest of us. Pam, you have our love, our support, and our prayers. If you need us, do not hesitate to reach out to us.
