“ *Patricia, I knew Danny from grade school in Bartlesville. We both went to Washington Elementary and then Central Jr. High and finally to College-Hi in Bartlesville. Both of our fathers worked at Reda Pump in Bartlesville. We were close from about the 6th grade until well into Jr. High. I enjoyed many hours with Danny for many years.*

I am sorry that this is so late. I only heard about his death today.

He was a fine young man and I am sure that continued throughout his life. I wish you and your family God's richest blessings at your loss.

“ Pat: I just want to let you know how much we love you. My brother loved you so much too. He had told me just recently he didn't know what he would do if something were to happen to you. I know you were probably the one who pushed him to get back into our lives before it was to late.I want to thank you so much for doing that or this time would be even harder than it already is. I will never forget how you stood by him through everything. Pat there were times i would have not blamed you if you had left but I am so glad you didn't. I just want you to know how much we all LOVE you. You will always be our family. Good-bye for now Your sister-in-law forever. Brenda Walker##imported-begin##Brenda Lee Walker##imported-end##
