“ Im so sorry to hear the loss of such a beautiful person. I met Darla years ago when working at Walmart. She was always so eager to help me learn things. Later on our children went to school together. She was one of the kindest, sweetest people I have ever met. She will be greatly missed.

“ For Mandra, Dawson and Courtney,
I truly sorry for your losses. I know this is hard to bare , but always
remember the love your family shared for so many years. You three
children ment so much to them both. Remember the good times and
let the others go. Stand on the love and peace of our Lord and
make them proud of who you will become. Do all things in Christ
and grow in his love. I loved your parents and I love you three. Suzy

“ I didnt get to know Darla until after she lost Matt, I reached out to offer her support during that time because I had just lost my son the same way. She messaged me one day with 50 questions and from there we made a habit to check on one another at least once a week. She was the sweetest to me and even though I have heard several times I was a Godsend for her, she had no clue that she honestly was for me to. I will miss our late night talks and her kind supportive words. Rest softly and fly with the Angels.

My mind goes back to the day that you, Matt and the kids were Baptised at Church. The four of us had some great times together and some sad times too. I remember when Leonard was so sick and you and Matt were there every step of the way. I couldn't have done it without you. I will continue to pray for the kids. I called your phone yesterday just so I could hear your voice again. Love you till we meet again. Sue Young
