“ David, was such a great Christian man, great husband, father and great step father. He loved being at all of our family functions. Gary always teased him about taking the back roads and hitting all the chug holes. I'd say, didn't you see that hole in the road, he'd say, I Hit It Didn't !! His love for Teresa, Ashley and myself was wonderful. All three of us took very good care of him until the end. David loved pitching and playing Senior softball which he played 6 to 8 weeks before his eyesight got so bad. I'm already missing him so much but I know he's with the Heavenly Father. Love you David Adams, Jr.

“ Pops was always pretty proud of his granddaughter McKinley in all her softball endeavors and he was specifically proud when she took the Adams name!!!!and she got a printed jersey with Adams!!!! Every game was special and he and Carolyn showed up to everyone of them and supported her and Carolyn was known as the blanket grandma because she always took care of the team!!!! It was awesome to see David so happy and coaching his baby Mickey through everything in pitch and then she became a catcher and he adored that even more!!! He was the best proud pops!!!!
