“ *I did not have a great deal of interaction with David, but time was pleasant . I would like to extend my prayers and condolences to all of David's loved ones. This is such a shocking, unexpected, and tragic thing. God bless you all with comfort, healing, and anything you need to make it through this time.*

“ *So very sorry for your loss. David was such a good person and I truly enjoyed working with him at Old Dominion Freight Line. He always made it a point to say "Hi" to everyone at the terminal and would help out anyway he could. I loved his sense of humor and I am really going to miss that. I will keep you in my thoughts and prayers!*

*Sincerely,*
