“ David and I were young teachers at Morris Elementary School in 1974. I enjoyed working with him very much! He certainly enjoyed his students, and they loved him! He would get so tickled telling one of the funny stories from his classroom, sometimes about himself. I have considered David my good friend for almost 40 years. Rest in God's arms, dear friend. “ To my precious Brother, Thank you for being such a wonderful Brother Son Uncle to all of us. You will never know how you touched each of our lives. You always had a kind word for every one and made every one laugh.. You will never know how many lives you touched with your big heart. So kind to every one. Even when you were so sick you never complained and if any one needed something you seen that it was done.. I could go on and on but God knows everything you have done so now you are resting in his arms.. I know you are not in pain any more and I am so thankful for that and most of all No more dyalisis that brought you so down.. But once again you acted like nothing was wrong. If anyone would go with you, you were ready to go no matter how bad you felt.. I Love you and will miss you more than you will ever know and especially all of our late night phone calls... RIP my Brother and this is from your Sweet Sister.... LOL.. Susan,

“ Dear Mr. Myers & Family,

As one of the painfully shy and quiet students in your class, it was a relief to have a place to go in school to laugh, enjoy learning, and be myself. I thank you for the many gifts you gave to your students, whether you knew it or not. So many of us mean to say thank you...your smile, persona, charisma, and genuine spirit are unforgettable. You are greatly loved and will be deeply missed by many. Thank you for everything.

“ I remember being afraid to go to fifth grade because Mr. Myers was so tall (I'm still short) and a man. (Can men teach?) Silly me--Mr. Myers was a fun, great teacher. Prayers said for his family too...

“ Mr. Myers and my son, Jackson had such a great year in the 6th grade. I'll never forget their shared love of music and how many cd's of 60's & 70's music were made to take to school to share with Mr. Myers.

Mr. Myers and my mother were in the same Sunday School class and enjoyed that relationship.

My thoughts and prayers are with all of his friends and family. I have no doubt that today will be a true Celebration of his life.

“ Mr Myers was one of my favorite teachers. He made being at school fun. He made learning fun. Always smiling, laughing and being ornery. He loved playing quick little tricks on my mom, Valle Golden, just to hear her squeek out a short "Aaahhh... David!" Rest in Peace dear friend. We love you

“ From the posts on your tribute, the education community lost a truly great teacher. I lost a Hersey-on-a-hamburger friend. I have fond memories of eating those at the Morris Cafe. You will truly be missed my friend.

“ My baby brother. Oh how I am going to miss that smile, your calling me everyday, our playing on the computer at nights, your wanting to go eat after Dr. appts. even when you were so tired. You know I love you very much and I am so sorry that you had to go thru all the pain you did. You rest now and enjoy the freedom of that dialysis machine. You will never leave my heart so rest now "bubba" until we meet again.

“ Mr. Myers,
I will always remember you! The thing that I will remember most is how the students loved you and how you loved the students. You were a wonderful educator that I always knew influenced many young eagles! I will never forget your latter years and your humorous statements that you made about your students. You will be missed for many different reasons! Your fried pickles were awesome and also your hot white dip was unexplainable! Your friendship will always be remembered! “ Mr. Myers,

I will never forget you or that huge ring that was affectionately used to crown his students. You were always a great inspiration and guiding role model. I learned many things from you in that classroom all those years ago in Morris Middle School. You helped me through a lot of tough times. Thank you so much for all that you did for me and all of your students. You will be dearly missed.

“ David...my co-worker...my friend. It was a blessing to have you touch my life. Our middle school workroom was so much fun back in the day! I'll remember you frying pickles for your students, putting a Hershey bar on your hamburger and bringing your famous dip to our Middle School dinners. Thank you for the flowers on a Valentine's day when I was really down. They made my day bright! Students loved you and us co-workers adored you. God Bless you and prayers to your family!

“ Mr. Myers,
My 5th grade teacher, you influenced me at an early age and had an impact on the rest of my life. 33 years later I can still recite all 50 states and capitals. Tirelessly passing and punting footballs to us at recess, I was sure you had been an NFL star in a previous career. I have nothing but sweet memories of you. Thank you for your influence.
