My heart hurts! We were elementary Emerson Eagles together, nearby neighbors & went through all phases of Okmulgee schools together. David was one of a kind & I'm so happy our paths crossed for such a memorable time in our youth. I'll never forget him in his baby blue mustang....iconic. RIP, my friend, until we meet again.

“ David, you were my best friend off & on for many many years. Your sense of humor was like nobody I've ever known. When you were told that heaven & hell are real and we only gain heaven not by our own good deeds, but only by God giving his own son to die for our sins, David exclaimed, "Well, then I'm in!"
Yes! And I'll see you there! We love you very much. JoAnn, Courtney & Kim my prayers and love are with you. Thank you, Jesus for your sacrifice for each one of us and all of us. We love you and accept you and your love for us. Teach us how to keep your one commandment, "That you love one another, as I have loved you, that you love one another. In this is all the law and the prophets fulfilled." Thank you, Jesus. Amen. Randy Holleman.
Friend since the 5th grade at Emerson. Teammate on A&M Electric championship baseball team, Fraternity Brother, Kappa Sigma at OSU, Travel Companion & roommate on our South Lake Tahoe, CA. adventure where you met Kim & Courtney's mom, Patsy. We will see you in heaven!
