“ *Scott, Inky, and family...So sorry for your loss. I never had the pleasure of meeting Scott's father, but I know he was a great, loving, and kind man to have raised a son with those same qualities. My thoughts and prayers are with you through these hard times. Love you all.

“ *Oh no, Pa, you'll always be in my heart as my other grandparent. I'll never forget video you took of me and Mandy when we were little! You know, the one where I went all crazy when the bee flew in my face? Yeah the one that everyone always makes fun of me for lol! We always loved when you and grandma came to visit. Gonna miss you dearly! Sending my love and prayers to the family.*
