“ Don came to our shop as long as I can remember, back in the days when he could walk right in. He was a very devoted and proud family man. We appreciate the many years he stayed with us and we send our prayers to Don's family.

“ Oh Daddy- I have so many memories with you. The pics I uploaded were pics of you and I when I was little in Seoul Korea. One of my childhood memories when you worked at the go cart place. We went there and you drove me around in a go cart. On May 5, 2015 you cooked all the crawfish for our wedding reception. You loved to cook and dad I wish I could have seen you and said good bye and tell you how much I love you.
