“ I have so many great memories growing up with Aunt Donna and Uncle Curt. She was such a beautiful lady with a kind heart who loved her family deeply.

Fun fact: I knew she would always bring Pepsi to the family gatherings.

Prayers for my cousins Randy and Rick and their families during this tough time. Love and hugs. Patty

Yes, Aunt Donna was a Wonderful Lady, that always cheered up everyone with and around her. Uncle Curt was the Best Friend anyone could ask for, being with him and following him through the woods while he was tracking deer that had been there.

My condolences to my Cousins that have now lost both of their parents. Randy and Ricky were Blessed through their Lives, with the Best Parents any child could have in their Lives.

Very sorry for your families loss.

Condolences to Donna's family. Donna and I graduated Morris High School in 1959. There are just a few days differences in our ages.

Donna was always a leader and such a kind, good friend. I am sure she was loved by her family and friends. She will be greatly missed.

“ I walked with Donna, along with many others who knew and loved Donna as I did. We had great and fun times celebrating all our birthdays going out to eat breakfast a couple times a week and traveled around for many of those breakfasts! We walked talked and laughed. We drew pictures on the sidewalk and made birthday's special. We lifted each other up. I will always remember Donna and am so grateful that our paths crossed.

My Heartfelt condolences to Donna's son's and daughters in law and her beautiful grandkids, all of whom she loved and spoke of all the time. You all were Her Whole Heart!

Prayers for Strength during this very difficult time.

When my bother, Foy Curtis, met Donna he didn't tell her his age. I'm not sure when she finally found out he was around 2 years younger than she was. She later said if she had known he was younger she may not have gone out with him. Donna was always pleasant and friendly. Love and prayers to my two nephews and their families.
