“ I will always remember your magical fires and how much fun you were. One of the last times I had the chance to see you was over an Easter holiday and you and Aunt Patsy were skipping around with your Easter baskets collecting eggs. That is how I will always remember you, so full of life and so much fun. Peace be with you.

“ Donna and Patsy grew up with my dad's family. Kenneth grew up around my mom's family. Shawna and I always thought that was amazing. Donna has moved onto her next journey. She will be missed by all who knew her. We will all see her again some day. Kenneth and Shawna, I know this is one of the hardest things in life we have to go thru. You will survive thru the love of your family.
