Prescott has shared their childhood memories with me about Donny. To us he was always known as "Goose" He was really fun to be around. I didn't know Goose until I was in High School at Okmulgee, where we both attended. It was nice that we shared the same buss to and from school. Prescott and I both have fond memories of Donny Bruce (Goose) McCall. We all will meet again soon. You are in the hearts of all those who loved you and that is where you will stay.
