“ *She was my grandmother. She loved with a big heart, and was loved by many. She made things so special, even if it was just going on a car ride to pick strawberries. I will miss her so very much, but will see her again one day.*

“ *Dorma was one of the first people I met when we moved to Okmulgee in 1980. I spent a lot of time at her house in my teens. She gave me adorable crafted gifts. I hadn't seen her in 20 years and she still knew who I was and wanted a hug. What a lovely lady.*
