“ I miss you so much grandma Dot. I miss staying the night with you on your pull out couch and you would always do “this little piggy” with me and Chase before bed. You were such an angel on earth and now you’re my angel in heaven. I really miss you. I wish you could have met my babies! They are so beautiful I know you are proud I finally finished college. I love you grandma!

“ Grandma Dot was the most generous, caring, kind, woman that I have ever had the privilege of knowing. She was my children's Great Grandmother, Forrest Chase Hampton and Sydney Layne Hampton. She was ALWAYS doing things for me and my Children. She lived right by us and she always insisted on taking care of them when they were babies when they were too sick to go to day care, or if my day care provider was closed for some reason. Then since she lived by the Health Department she would take them to get their immunizations so I wouldn't have to take off work! As a single Mother, I NEVER EVER would have made it without this special angel that God put into our lives. Then, she would NEVER let us leave without giving us "something", it might have been a garage sale find, a coupon, or something she had in her fridge that she thought might go bad. She didn't have much but was ALWAYS willing to give what she had. We still have her last Christmas Check for the kids and we just couldn't cash it. Even after I divorced her Grandson, she NEVER EVER forgot my Birthday and would always send me a card. Every time the kids left after seeing her she would always say "TELL YOUR MOTHER I LOVE HER" She passed on that wonderful spirit to my Children and for that I am eternally grateful. And the funniest story on her ever is that she would always say "CALL ME" when I left....."and if you forget my number it's 267-4011, if you need an easy way to remember that it's 40 dollars and 11 cents!!!! That always brings a smile to my face and guess what, we never forgot her number. We will see you in Heaven Grandma Dot and we look forward to you being our guardian angel from Heaven just like you were here on this earth!
