“ Dortha was the most friendliest person I have had the pleasure of knowing. Our son's were friends at a very young age. We would often run into each other and start talking about our boys. She had a smile that would light up a room. She will truly be missed. Clint, Look to the hills from whence our help cometh, our help comes from above. Hang in there, love ya!!

Just wow! Life sometimes deals us these wow moments and this is a big one. I know they are loving having you and Verle in heaven. The both of you will be missed terribly here in this crazy world we are living in nowadays. I lived with you, Very, Larry, Uncle Bunny and Aunt Mary back many years ago out behind Twin Hills School. We would go and clean the school every evening. That was some good times. There was always love in that home. We may have been cousins, but it was like I had an extra sister and brothers. You will be missed and we will all meet again soon.
