“ So Sorry for your loss. We purchased some land, with an old cabin, from the Family 15 years ago and it has since become a cherished home. Many of the pieces purchased in the cabin are still being used.

“ Beverly, I am so sorry for your loss. I will never forget the way you were there for me when my brother died. You gave me a card with the scripture that said "I will not leave you comfortless. I will come to you." That helped me through that very difficult time. Hopefully, these words will be of comfort to you. May GOD bless you.

“ Dr. Miller was my friend, confidant, mentor, colleague and supervisor. I had great respect for him especially for the way he treated others. I relished hearing his stories of growing up in Okmulgee County and of his previous careers in TV and public relations. He dearly loved his wife. He loved his children and enjoyed telling about their accomplishments. I have good memories of Earl Miller.

“ *Joan and Wilma--As a longtime family friend I send my condolences to you for the loss of your Brother Dalin. Joan and I grew up like Sisters, and Dalin was always around like the big Brother. After reading his Obituary it sounds like he lived a good and full life. I didn't know he became a teacher. I only knew about his career in radio and TV.*

*I will be thinking about you as you say goodbye to your Brother.*

“ *I remember he used to joke about adding a room to the house for me since Darci and I were together so much. Good times. He will be missed.*
