“ My 1st cousin, Edward Deshaun Spencer, played a significant role in the Spencer family, bringing joy through his love for cookout grilling and dedication to preserving family history.

✨ In Loving Memory of Edward Deshaun Spencer ✨

*It is with heavy hearts that we say goodbye to a remarkable soul, our beloved cousin, Edward Deshaun Spencer. From this point forward, we celebrate the life of a man who touched our hearts in countless ways.*

*Edward had an unparalleled passion for family, and his love manifested in the delicious meals he cooked and the warmth he shared during family gatherings. His dedication to the upcoming family reunion and the comprehensive family history he was compiling showcased his commitment to preserving our shared legacy.*

*One couldn't help but be inspired by his "PaPa-Robert's" grill traditions. The sizzle of the grill and the aroma of his cooking were not just about the food; they were a testament to the love and care he poured into every dish. His Smoke Master Grill was a cornerstone of laughter, stories, and togetherness—a true reflection of his generous spirit.*

*Edward's love extended beyond the kitchen, finding its purest expression in his relationship with "Daddy's Girls," ClaraNeisha and Francine, affectionately known as "KeKe." His devotion to his girls was boundless, and the love they shared created a beautiful bond that will forever be etched in our hearts.*

*As we mourn Edward's physical absence, let us also celebrate the legacy he leaves behind—the memories, the laughter, and the love that will continue to resonate in our lives. In honoring his memory,*

*let us strive to emulate the warmth, generosity, and love that defined his time with us.*

*Eddie, your spirit will forever live on in the stories we tell, the cookouts we cherish, and the commitment to loving sister unity that continues to show in your girls.*

**IT'S BEEN A LONG TIME WITHOUT YOU... I'LL TELL YOU ALL ABOUT WHEN WE GRILL-OUT AGAIN**
