Good memories and I remember several of them. Eileen would always call and check on me. To her, I'm sure I was still that little cousin whose hair and clothes needed straightened when. I got on the school bus each morning. :) I'm sure she's catching David up on all the things that have gone on. Love, prayers, and hugs to all. Eulene

“ *Elleen and I had been friends for many years, 71 in fact, we felt as tho we were sisters. For the past several years we talked almost every day, some times 2 or 3 times a day. We always found plenty to talk about..I miss her terribly but nothing I'm sure, will compare with the loss to Jack and family. She was a wonderful christian woman and I loved dearly ..will be praying for God to help you all through this...*

“ *Sister Eileen, I will always remember your beauty and your smile. You were such a Godly Christian role model for me when I was a child and young adult. Wish I could have seen you and hugged you one more time, but it won't be long until Jesus comes. Then I can get that hug. Our prayers and love to your dear family. You and Brother Lawson were pillars of faith in the church. Rest in peace, dear mother in the Lord. It won't be long until Jesus comes and we can rejoice in His presence forever.*

“ I am so sorry to hear of Eileen's passing. I had no idea that she was as sick as she was. I had no sisters and she was always allowing me to borrow something to wear for a special occasion. I always thought that she was so pretty and she will be missed so much by her family and friends. She will always be a held in my mind as a very special lady. I loved her very much.
