“ *I've only known her a few short months ,but we would play dominoes, Yahtzee,Uno, or phase 10 alot. She taught me to play dominoes better than I had been. She taught me how to play phase 10 which of course she would beat the tar out of me until I got the rest of the game and started to improve. One day I won two game in a row of phase 10 and she said enough of that.....and reshuffled the cards. I laughed and asked if she was a sore loser??? She replied NO I'm not a sore loser I just like to win!! Now I'm hooked on plz Phase 10 and I'll miss her company. I'll never know if she was scoring by the rulebook but if she won she was happy and that was all that mattered. Rest in peace Ms.Liz I'll miss the games that we played and thanks for showing me Phase 10.*
