“ *My family moved across the street from Kiowa and Ella Mae Paden in 1966. You could not have found nicer neighbors or nicer people. Mrs. Paden loved her yard and garden. You'd see her out in the yard working, enjoying her flowers. Even though I know both Mr. and Mrs. Paden are in a much better place now, my world got a little sadder that they are both gone from this Earth while I'm still on it. In a small town like Beggs, you really miss the long-term residents, and particularly, when they've been your neighbors for over 50 years. My prayers go out to the family. You're part of a wonderful family, as I'm sure you know. I know God will help you deal with the loss and enjoy the many memories.*
