Ann was truly one of a kind. She was loved by all us Hamilton girls and will be missed. I cannot remember ever being around her when she didn't have a smile and that beautiful laugh. RIP Ann.

“ I remember Ann’s two front teeth slightly crossed one over the other and mine did exactly the same thing and when I was a kid I always knew she was my aunt because of that. As a little kid my 2 claims to fame were #1 I was born on Roy Rogers birthday and #2 Ann was my Aunt. 😊.

“ Evelyn Ann was a wonderful daughter to her 'Momma', a great example to her children, a loving grandmother to all of her grandchildren and loved them all dearly, a Aunt without equal to her many neices and nephews and a friend and confidant to many people whom she worked with for many years or had met in her many adventures in life. She never met a stranger and treated everyone the same whatever 'Side of the track' they came from. She also was the best mother anyone could ask for. RIP momma...we all loved you more than you could ever imagine.
