“ Gary was certainly one of a kind. His humor was like no one else's. I was never around him for long that he didn't make me laugh. I like the way he talked for his pets, as if he actually knew exactly what they thinking, well, he probably did.

I made a potato salad for a group gathering one year & of course I used dill pickles in it. Well, Gary asked me if I would make a small for him with sweet pickles in it, I was thinking yuk, but he got his potato salad with sweet pickles & he seemed to like it.

He made native Indian art pieces with cow skulls & horns etc of which we have a few, they were all done very well.

Thank you Gary for your service of our country in the USMC, thank you for your sacrifice. Semper Fi~!

As much as we weren't ready to say good-bye, I know that being A Christian, I will see you again...

Precious in the sight of the LORD Is the death of His saints.

“ *My Uncle will always be etched in my memory. Always had something smart and sarcastic to say. I will never forget the times we had and the \$5000 pesos he gave me for that massage when I was young. I still carry that coin with me today. He would probably comment with some wisecrack. He always kept me laughing. I love and miss you Unca G.
Auntie B! I love you dearly and you are a constant on my mind and in my prayers. I will see you tomorrow*
