“ Spending time with Genine in Kinney Shores, Maine was truly a gift.... Her laugh was contagious..... her level of energy was unreachable (at least for me)..... her skills at games were unbeatable.... Her love for her family was a treasure.... I so appreciate every moment spent with her and those memories will always bring a smile.... Sending warm, comforting hugs to her family and praying that in time, their wonderful memories with Genine will again bring the joy that only she could bring....
