“ *The Security staff at ONE FIRE CASINO has lost a valuable asset to our staff. Gino's dependability and patience will always be an example of what is expected of our team. We always had to remind Gino to take a vacation !!! If for some reason, he didn't show up at his usual time, we always were concerned, because he never missed work !! I personally will miss the stories and many laughs we shared over the past 10 years.*

*Police Officer's
23rd Psalm*

*The lord is my shepherd,
I shall not want,
His comforting hand reduces fear to naught;
He walks me through the streets of crime,
But he gives me courage and peace of mind.
He leads me by still waters in the path I trod,
And he says in roman's I'm a "minister of god",
He leads me in righteousness as he restores my sole,
For his name's sake he keeps me whole.
When I walk through death's valley,
Right up to the door,
I will fear no evil,
For he comforts me more;
For thou art with me every step of the way,
As thy rod and thy staff protect me each day.
He prepares a table,
Especially for me,
As I work daily among life's enemies;
He gives me authority to uphold the law,
And he anoints my position in the midst of it all.
Surely goodness and mercy shall follow me,
Each day of my life through eternity;
As I long to hear him say 'well done...'
When I lay down my life, my badge, and my gun.
JOB WELL DONE BROTHER
You will be loved, missed but never forgotten. <3*

“ *THE BROKEN CHAIN*

*We little knew the day that God was going to call your name.
In life we loved you dearly, in death we do the same*

*It broke our hearts to lose you, but in God we put our trust.
In times as difficult as this, faith is such a must.*

*You left us peaceful memories, your love is still our guide.
And though we cannot see you, you are always at our side.*

*Our family chain is broken, and nothing seems the same,
But as God calls us one by one, the chain will link again.*

*Jay Daniels - To be absent from the body is to be present with the
Lord. Although its hurts the heart to see one pass on, the death of a
Saint means that God is on the other side. Gino was an outstanding
person and very personable. I played football with Gino at Haskell and
got to be friends with him. Gino will be missed greatly.*
