“ I would like to send my sympathy to Greta's family and friends. Greta has been a friend for many years. She was a source of inspiration for me and others. Greta was rarely still, always working in her sewing room, garden and kitchen. She was also an active Christian and took part in church activities helping everywhere she could. Greta will be missed by everyone who was blessed to know her. Someday we will see her and Willis again in Heaven.

I could always count on Greta to have a smile and sweet hug as well as a sweet 'well hello Linda Sue'. Greta will be greatly missed, by her family and all her cousins..But we know she is far better off than we are; reunited with Willis, her parents and all the other family who have gone before us. One day we'll join her and walk together those streets of gold that lead to our Savior...Love you Greta Jo ❤️

Greta was a living angel - she loved God and lived her life exemplary. She baked cookies for Bryce from time to time and always was concerned about how family was doing - she was precious .

“ Mrs. Greta was such a beautiful soul and it breaks my heart tremendously to hear of her passing. She was always at church playing the organ and played it beautifully. We had Sunday school together. I remember that she was always one of the first to welcome me on Sundays. I'll never forget that she was the first to hug me when I joined the church. I loved her deeply and will miss her so much. She was an amazing woman that loved Jesus with all her heart. Until we meet again my sweet dear friend.
