“ *JoAnn and Rose Ann and the rest of the family, I am so sorry to hear this sad news. Dwain was always such a sweet man and always patient when I would run into him and Rose Ann in town and we would chat. He would just stand back or sit in the car and let us catch up as long as we wanted. Rose Ann I know you will miss him terribly and I am so very sorry. You will all be in my prayers during these difficult days.
Love to you all.*

“ I always liked Dwain since high school and ever since. He helped out with several of our 1962 high school reunions, and was always willing to help find and contact our classmates. He was so friendly and pleasant to know. When I came back to Okmulgee for a visit, I could always count on Dwain being there at Mass to say hello just like we'd seen one another yesterday. He will be missed by many that's for certain. I hope I am able to obtain salvation and see him with the Lord in heaven. He's there I'm sure. Just hoping I make it too. God bless his family in your time of sorrow and grief. He wouldn't want you to be sad. He is blessed his suffering has ended.

“ The Bivin family is in our hearts and prayers. What a wonderful family we have been blessed to live across the street from for over 60 years. James was heartbroken when he heard the news. As little boys, Ralph and I always looked up to Dwain and Gary and they were always there for our family.
