“ *I wish I had know earlier, here it is July and I'll be 61 this week! This family really needs to try staying in contact better! That's why we had Smith reunions. Death should not be a reason for catching up with each other! Sorry to hear Hank died. He was nearer to my age than any of the other cousins. You were crazy as me man! Hope your dancing up there with all our Smitty relatives! Anyone else can find me on Facebook or send me an e-mail at: [dallas@mrssurefire.com](mailto:dallas@mrssurefire.com)*
