“ I met Mrs.Hazel in 2016 I was working for Mays Home Health as an Personal Care aide. Me and her bonded-right away.She was so sweet, very soft spoken,loving,kind. We done some many things together. We went shopping,we played games like (Yahtzee) she taught me how to play that game. We talk about the Lord together.We read the Bible together, prayed together. One year she went with me to a church service.She taught me how to make a cheese cake, she taught me how to make French toast. We even shed tears together. She would buy Christmas gifts for my kids. She always ask about them. On Jan 23, 2021,My family and I went to the country and saw her it had been some months since I've seen her due to COVID. I'm so happy that I was able to see her. She was sitting in her recliner in her right mind and knew who we were too. Before we left my husband and I prayed with her and as he was praying I was just crying cause I knew that was the last time I was going to see her.

Thanks y'all so much Mary, Robin, Micheal and Randy for letting me be a part of Hazel. I will be miss her But I have some great memories to remember. Love y'all!❤️❤️❤️❤️
