“ *Dear Terri and Family, my sincere condolences on your mother's passing on. She always had a smile and a friendly positive attitude - even while she and Mom endured those stairs for the pleasure of getting their hair done! Kate, Mom and I want you and your family to know you've been in our thoughts. My heartfelt prayers for strength and peace of mind for you and the family. I wish I had known your mama better.*

“ *The Thomas family lived just down the street from us on west eighth - so many years ago. Knew each on of "kids" personally and shared lots of laughter and good times as we all 'grew up', married, raised our families, and enjoyed life to its fullest. Helen will now join all of her family in heaven, and to those left on earth my sincere sympathy for your loss.*
