“ Herman and Dorothy were a huge part of my growing up in Okmulgee County. They were our neighbors and I thought a lot of them. Herman had a "old" blue chevy pick-up, probably a 60 something, he never washed it! I was just a kid and he left it at the house and went somewhere with my dad, John Arthur. I washed it and surprised Herman, probably the only time it got washed! I know you remember the truck Sharon! Herman was a big part of my childhood, and I am very thankful for all the good memories.

“ What a gentleman. I got to know Herman when he and Dorothy joined the Mounds Historical Society years ago. I would visit with him at events and out at the cemetery on Memorial Day. My family, the Patrick's, have known him for many, many years. We all thought a lot of Herman. He was a really good man. Loved his story telling. He was a blessing to all who knew him. Our deepest condolences to Sharon and the family.
