“ *When we first moved to our place 7 1/2 years ago, this gentleman stopped by to welcome us to the neighborhood. That gentle man was Jack. We became acquainted with he and his wife Shirley and have been friends ever since.*

*He and my husband would talk practically every day, whether on the phone or yelling across the field. Jack was the best neighbor anyone could ever ask for. We will miss his afternoon call to see if "Barney" (mailman) has come by yet, knowing full well, that his place was before ours. He always got a big kick out of that. We will miss his calls when the Eagles would play the Cowboys and the betting began. Oh Jack, you are and will be sorely missed! Brenda and Gary Allen*
