“ *Wow, this larger than life Guy will be missed by many. I know he had a huge impact on my husband and his childhood memories. Oh the stories he and Rod have told me about road trips and motorcycles. Jack was so much fun to be around but also someone who held the boys to very high standards. What an amazing man! Prayers to Rod and the whole family along with all of Jack's friends! He will be missed!*

“ *Condolences to the Bell family. I saw Jack as a man who worked hard and enjoyed spending time with family, and even the rowdy friends that Rod and Mary would have over. I remember him being easy to talk to and easy to learn from. He will be greatly missed.*

I have known Jack for just about as far back as I can remember. He was a good man. It seems he was always busy helping someone. He is now getting a well deserved rest.
