“ Uncle Jackie i light this candle in memory of your love you shared with me. Uncle Jackie you wasn't just a Uncle that watched over me n my brothers n sisters but a Gaurdian Angel that was there when i needed u the most. Like the time when i went to Eufaula bording school. You know i was scared to go and stay there. But you didn't just drop me off and leave. You said Hotke I'll will stay with you till i your okay when i leave. Knowing that I wouldn't let u leave till sometimes during the night. I know it was really late into the night. But you never said you had to go. I know you felt bad that you had to leave me. But you stayed till i was comfortable with you leaving. Like the caring n loving Uncle you are you took me shopping for clothes and many other things you thought i would need. I just want to say MVTO for loving me unconditionally. I love you Uncle Jackie. You will always be in my heart. I will miss you dearly. But i know you are right where your supposed to be with the ones that left before you that you loved so dearly. So spread your Angel wings and fly with the ones you love. Love you your niece Rhonda {Joe}
