

Jackie Ray Morton

July 23, 1958 - October 26, 2025

Jackie Ray Morton, was born on July 23, 1958, in Okmulgee, Oklahoma, to Nelson and Clara (Wright) Morton. He was one of three children and spent his entire life in his hometown of Morris, Oklahoma.

Jackie graduated from Morris High School in 1976, where he was active in FFA and showing livestock.

Jackie worked at his family owned oil company, Morton Leases, Inc. He was known for his hard work, dedication, and deep knowledge of oil field operations. He especially found satisfaction in pulling wells and operating rigs.

Outside of work, Jackie enjoyed life to the fullest. He loved riding his Harley and throwing horseshoes with anyone who was willing to get beat! He would enjoy his daily jaunt to Morris Oil Field Supply where he enjoyed a cup of coffee over conversation with his brother and buddies. He would often take a walk and visit friends around town. He enjoyed spending time at the casino, playing the slot machines. He also had a soft spot for his pets. Jackie was very outgoing and kind hearted. He never met a stranger and would make friends wherever he went. He loved watching his kids in all of their sporting events and would never miss a game or even practices.

He was preceded in death by his parents, Nelson and Clara, and a brother,

Nelson Gene Morton.

Jackie is survived by his children, Jacqueline Kelsey, Jessie Morton, Michael Morton and wife Jessica, and Julie Devine and husband Stephen; his brother, Jimmy Morton and wife Karen; and his grandchildren, Hunter and Shelby Kelsey, Maverick Morton, and Mason Downum. Jackie "Fat Jack" Morton will be remembered for his humor, friendship, and the way he made everyone feel like family. His presence will be deeply missed by all who knew and loved him. Graveside memorial service will be held 11:00 AM, Saturday, November 1, 2025 at Morris Cemetery with Pastor Randy Mathews officiating. “ Jackie always reminded me of a giant teddy bear. Warm, friendly, and loving ,always making you feel safe and welcome. The photos I’ve shared are from one of many unplanned trips to town. It’s funny to think about, but every time we came, it really wasn’t planned, but I knew that I could show up on that doorstep and the door would always be open, there would always be a place for me, and for my family. On this particular trip, Jackie took Hannah for her first ride on a motorcycle. He did this as we were on our way out of town ,so he drove her from the house to the Brahms in Henryetta. he would play horseshoes with Harvey, take us to the casino, and we can’t leave about a trip to steak and eggs 🍷🍷🍷 at the house, he would pick pecans up out of the yard and then he would make us homemade popcorn that I have to admit. What’s the best popcorn I think I’ve ever put in my mouth. I never had anyone put pecans and popcorn, but it was wonderful.. and I’m pretty sure he was proud of the popcorn. another time, we called last minute because we were going to Tahlequah for Hannah’s graduation, he and Debbie rode over on the bike and met us there and spent the day he was always up for anything, and always in a good mood I remember one time going for a drive with my brother, we had just got into town and I’ll be if we didn’t pass Jackie on his tractor first thing one time, they came down to Texas to see us. We even took them to our friends who had a heavy metal band, I was surprised at how much they enjoyed it. We ended up burning them a CD. I just want his family to know how much he meant to my family. He made us feel loved ,welcomed, and home. He was the definition of Home. He will stay that way in my heart forever.

Jackie, we will always love and miss you.
