“ *Uncle James' quiet smile will be sorely missed. Aunt Connie, it was a joy watching the two of you together through the years. You were so blessed to share your lives. Our whole family...Scottie, the kids, and I...send you our love and share your sadness. Watching you care for James during his illness was such an expression of your devotion. We are so glad the two of you moved here to Oklahoma so that we got to spend time with you both. We love you and miss our "tickle monster"*
