“ *I had worked with Gordon for several years in Arkansas while I worked with Southwestern Energy. I always looked forward when he visited us and we all had discussions ranging from business to football to his house he was building at the time. He was very proud of his farm and his family we all could tell. He was a good person and he will be greatly missed. My thoughts and prayers to his family.*

“ Gordon will be missed. My favorite memory of Gordon was when we went on a family cruise and he taught me how to play black jack. I wasn't very good but he was very patient with me. Gordon was such a great person. I enjoyed every moment we spent together.
