“Daddy I miss you so much 😭😭. It's not the same without you. I miss you so very much. We've lost Jake, he passed away in his sleep, and we don't know why. It's all so unreal, it's not fat why do our family have to loose so many. We lay Jake to rest this Tuesday the 17th he will be next to Allen and you. Daddy it hurts so bad. I know we will be together again one day but the hurt will always be here. Momma has been through so much these last few years, my heart breaks for Momma. She's so strong but yet so fragile. Please send all the angels to be with us. We miss you so much. I love you more than forever 💕💕 Love always, Your Baby Girl ❤️
