Cynthia: I am James' biological sister. I've been looking for him (and the rest of my family) for 40 years. Find him just in time only to find he has died. Do you happen to know his adopted sister's name and whereabouts? I would like to find out some of his history to add to the book I am writing about the 8 children our mother had.

If you have any info, please email me at drapert1999atgmaildotcom.

Thank you for your help.
