“ *Jana sat in the third seat back, second row from the stage in my English IV. Classroom . . . I had looked up hearing her charming little giggle . . . She looked back with that surprised, joyful expression she always wore eyes wide open . . . “Jana, you have the sweetest expression . . . You are so photogenic!” . . . She just laughed . . . I will never forget those loving eyes, that nod of her head with chin resting on her closed hand . . . You are one of my sweetest memories, Jana . . . I can still hear you laugh . . . Cherished more than you know . . .*
