“ *I had the opportunity to work with Kay for a long time at the hospital in Okmulgee. Kay was one of the funnest and sincere ladies I have known. We had many a late night chats about the world in general. She loved her career in providing patent care and did a great job at it. My thoughts and prayers are with her family and may she rest in peace. Larry F. Patrick*

“ *I have thought for days on how I could describe Kay if I had to describe her to someone who didn't know her. I have finally decided that she was just one of those people that can't be defined with simple words. Maybe it is because I met her so young that she always seemed bigger than life to me. I came to admire her for doing things her way, she definitely lived life that way and did it with gusto, a "go big or go home" kind of gal. I haven't seen Kay for many years but have thought of her often and wondered what kind of stuff she was mixin up in Florida. My thoughts and prayers have been with all of you kids since I heard of her illness. Connie, we have known each other more years than I care to remember on some days, and you especially are on my mind lately, a Mother/daughter bond is strong and I am so sorry for your loss. It's not something that any of us want to go through and if I can do anything to make this easier for you, please don't hesitate to call me.*

*Because we were always gone, I didn't know "aunt Kay" very well. I do remember her when I was younger and we would go to Grandma Thomas' house during the summers. Mom said she really liked her and sends her condolences. So sorry for your loss! You all are in my prayers.*

“ *Strong prayers and thoughts for the family of Kay. I prayed for you everyday and kept the memories of the good times we shared on Earth. I'll never forget the many hours we spent together at Creek Nation Bingo. Kay you kept me laughing and always had a smile on your face. Especially the time you and another person got into a debate over paper clips being on the table. How I miss the times back then with me, you and Connie. Rest in Peace my friend and save me a seat at the bingo table. Luv Always Allen*

*Im very sorry for your loss, I remember Ms Kay, but its been many years ago since I had seen her, I do however, see Cydney, Sara, and Kylie, her grandbabies, and I see Kay in them all! I think all 3 of them favor her so much, so a part of Ms Kay will live on in each of the children!! God bless you all and give peace to you!!!! Tonya Townley and Family*
