“ *Janie loved her family, her favorite color was purple, she wanted Willie Nelson to be president, wanted a new jeep and sent cards to anyone she knew that needed a kind word.*

*Working with Janie over the years with her pleasant spirit was such a comfort. I looked forward to seeing what matching necklace and earrings she would be wearing that day.*

*I have memories of Janie that will stay with me forever.*

*I loved Janie, she was my friend.*
