“ *My eyes filled up with tears as I heard the news  
It never occurred to me, how much I could lose  
I find myself wishing that it wasn't real  
Every time I think about it, pain is all I can feel  
Tears fall from my eyes, I can barely see  
But my heart tells me that he'll always be with me  
I'm glad he feels no pain now-he lives in a perfect land  
I can still feel the soft touch on my shoulder of his loving hand  
I lie in bed and cry at night  
And I don't feel any better in the morning light  
And I will love and miss him forever  
Until the day we are again together.  
Together in that perfect place above,  
Filled with caring, sharing and love  
But until that day comes- I will wipe my tears away.  
And hopefully see him again someday###imported-begin###Angie

“ *It's hard for me to believe this has actually happened, I'd like to believe that you are still in Oklahoma just a phone call away. You have touched so many peoples' lives with your sparkling personality, your bright smile, and the non-comparable Storm sense of humor. Although we didn't have the chance to be that close over the past years, I will forever have great memories of you and how you were always truly one of a kind. Until we meet again you will be greatly missed by all.##imported-begin##Sarah Storm##imported-end##*

“ Jeremy aka Vegas its unbearable to think i wont hear your voice anymore or get your "Goodmorning Angels" text in the morning or your "hows my special friend" when i see you with your backpack in tow. Sarah was right when she said your "our" Vegas and that will be forever. you were that one person at the end of a horrible day that could crack such an outrageous joke that u couldnt help but laugh for hours about. Your quirks and demeanor towards things were so carefree i wished i had that quality, i will miss that quality about you. I speak for everyone in my family when i say where gonna miss our special friend and will hold u close always. My condolences to the family that gave me such an amazing friend that i and everyone loved so much. so everytime i see a purple monkey i will think of u, everytime someone loses their shoes i will think of u and everytime i go out to Marina Jacks and have irish car bombs i will think of u. so goodbye my special friend, smooth pimp, charlie, pumpkin, My Vegas... RIP.##imported-begin##Shana Sturm##imported-end##

“ Jeremy,

*It is so wierd for me to see so many call you by your name. You were and always will be Vegas to all of us here in Florida.=) The night I met you is so clear to me. I was in a very vulnerable and very dark part of my life. You smiled across the bar at me came over said "hey you wanna make out"!*

*You have from that moment on always continued to make me laugh. That is the night you were tagged as Vegas. You brought a amile to my life and all you touched down here. You were full of supprises and always so up beat. You made my twenty sixth birthday the best I have ever had. No one has ever made me feel so excited about my birthday coming. You were so awesome with my son. Britton misses you. You always made us feel like we were special. I can't imagine not getting the regular "Good morning Angels" text from you. It all seems like a terrible dream with no closure. Vegas you will be missed beyond your wildest dreams. We love you so much and will always hold your memory dear.*

*RIP Smooth Pimp, "Good night Charlie"*

*Love Sarah*

*To your family, Jeremy was a blessing in my life. He was the light at the end of my dark tunnel. Robin, You raised an amazing man. He had a heart of gold and genuinly cared about people. Those qualities are so hard to come by. I hope one day I get the pleasure of meeting the woman behind that smile, that heart, and the blessing he was to all.*

*My condolences to all of you.##imported-begin##Sarah Kraft##imported-end##*

“ To my baby brother,

*I can't bring myself to believe you are gone. Words cannot express the emptiness I feel without you. I admired you in so many ways. I wish I would have taken the time to tell you. I often called you the "nomad" when I know all you ever wanted was to settle down and have a family. I cannot begin to tell you how you touched my children's lives. They all wanted to hang out with "Big Jeremy" because he was just like "a big kid". Although our lives put distance between us, it made the time we spent together more memorable. I will relive and cherish every moment we spent together. Trying to imagine my life without you seems unbearable. I pray you have found your happy place and will watch over us until we can be together again. I love you baby brother, for always.##imported-begin##Shawn West##imported-end##*

“ I wish I could make this all a dream. I wish we could hear your voice and see your smiling face one more time. I wish I could erase all the pain and emptiness we all feel. I pray, Jeremy, that you are in a better place watching over us. Knowing how much we love you and miss you. We are left here to grieve and try to make sense of something so cruel, praying you will help us through this. You touched so many lives and left an impression on each and every person you met. You were truly a gifted and loving person with a beautiful soul. We love you and miss you and pray for the day we see you again.##imported-begin##Shelly West##imported-end##

“ I once knew Jeremy in another life...If he could speak to his family right now. He would tell his story and try to get everyone to laugh. He loved to be the life of the party, and he always was with his eyes and big smile... Nobody, never knew what he was going to do next.. Jeremy would tell all of you he's Ok, but his main concern would be don't let my momma cry... She was his world. He once said just put me under an oak tree I'll be Okay. He would want Robert storm his grandfather to know if he never said it, that he looked up to him and loved you as his father. He would want Jordan to know he loved him as his own. Shawn he would want you to know that you are the best friend/brother he could of had.##imported-begin##orlanda##imported-end##
