“ *I worked with Jerry for many years at Western Electric, AT&T & Lucent Technology, played many rounds of golf while developing a great friendship. His dry sense of humor was so enjoyed by all that knew him and his devoted love for the Sooners was unmatched by anyone. We will all miss him and his witt.*

I worked with Jerry at AT@T for many years. He was a very thoughtful and caring person. He is in my prayers. He'll certainly be missed by all his golfing buddies.
