“ We will miss you Jerry. I will remember how I talked you into letting your buzz hair cut grow out and how I called you my little hippie. Jerry always had a smile on his face even when he was having a bad day. He would call most of us "sissy" when he wanted to ask us something. Jerry never made it out to my farm to fish the pond and he said he was going to come out. Jerry will always be in our hearts and memories. Save us a spot on the other side. We love you.
