“ *Jesse beavers wasn't an awful person despite what anyone has heard. People misunderstood him just as much as he misunderstood himself at times. But i understood him completely. When we were together we had our ups and downs, but we never stopped being there for each other no matter what. He has a good heart no matter what at the end of everyday and thats what matters. I will do whatever for my bestfriend Jesse Alan Beavers. I harbor no bad feelings for Jesse. I just want our law system to be what they claim. One nation under God and Justice for all! I am alil upset for being lied to about being told i could not attend his services by his mother. But i forgive her. God speed jesse (besse)💙*
