For Candi and family, my prayers are with you and words can't seem to comfort right now but I feel for you in my heart and I got to know Jessica of recent and she had to most beautiful smile and I told her she remind me of her grandma Bea and Candi together, she politely smiled and said thank you. I am honored to have met her and to share some memories of her extended family. -Velma Carder

“ Jesse you grew up to be a beautiful woman and I hear an amazing mother. I will never forget those days seeing you come home from school and spending time with you, your brother, Charlie and your mom. I loved your mother very much and thought so much of you all. I wish so much I would have stayed in touch with you and your family. Candy, although it's been so long i think of you often. My heart is breaking for you, Charles, Charlie and bubba. I just want you to know that I remember that you believe and for you to know that you will be with Jessica one day in paradise! She will always have a place in my heart Candy. She is with our Lord and Savior!
