

Jim Browning

June 6, 1950 - October 19, 2014

Jim and Jackie Browning, residents of Boynton, passed away Sunday evening, October 19, 2014.

Jim was born Jimmy Dale Browning on June 6, 1950 in Sentinel, Oklahoma to J.D. Browning and the late Edna Virginia (North) Browning.

Jackie was born Jacqueline Ann Schaffer on October 25, 1950 in Bartlesville, Oklahoma to the late Richard Theodore Schaffer and Thelma (Tipton) Schaffer.

Jim and Jackie, The Brownings. Married June 12, 1970 and started their married life on the red dirt western side of Oklahoma. A young couple from simple means and grounded lives. Jim in the Oilfield and Jackie working the Weatherford public school system. As times changed and their family grew they relocated to Boynton, OK to pursue a ranch lifestyle. Times were not always easy but family was always strong, and they made sure of that. The sun rose and set many times, children grew into adults, jobs changed, the family grew in numbers and became even stronger with the new additions. Well time, age and blessings have brought us to where we stand now. Jim has rode his grey mare in the life we all so joyfully seek with Jackie tap dancing right out in front. For that, we are blessed. The strength they leave us with is unwavering and unrelenting. We are forever blessed. We will leave you with our Mothers words: "Be kind to everyone, because it is not your place to be

any less."

Jackie was a faithful member of the Church of Christ in Morris. She was very active in the Alzheimer's Association and "Food for Friends" in Morris, a food bank she created to help those in need of groceries.

“ Sending my sincere sympathy to Butch and Jackie's children and to Dana and her family. My husband, Walter, and I watched Butch grow up and knew both their parents and even Butch's grandparents. His mother and dad were dear friends and helped us many times. They farmed our land for several years and we went through good times and bad times together.

“ Knowing Butch all my life, I will always remember the fun we had water skiing, building sand castles and just being kids. In high school you were always a big brother to me. You were a great person and friend, wouldn't trade the memories for anything. Heaven has taken you away but I know you are rejoicing with your mother. I pray God will comfort your father JD, your sister Dayna & the rest of your family in the coming days.

“ I want to share a story from Rusty Shipley. Rusty worked with Jim in the Cowboy days. They worked on this ranch and Jim and Rusty were out working with the cows. There was a big deep mud hole close where they were standing by the gate and the next thing Rusty knew a cow had butted Jim in to that hole. They laughed about that for years. Another story, Jim and Rusty bought some feed for the cows, Jim decided he would put one of the bags on his horse. He got up on the horse and that horse bucked him off higher than they'd both ever seen. So sorry for your loss, praying for comfort.

“ *Rhonda and I met Jim and Jackie in Weatherford, while working together for Wilmco Drilling Fluids. We had sort of drifted apart the last few years and we were very sad to hear about this. I know that Jim has a good string of horses to ride every day and Jackie is standing and smiling a great watching.*

“ *We had such good times growing up in Burns Flat. Butch was one of the people I had known my entire life. Then Jackie's family arrived and I gained a good friend. We had great times as young married couples, times I have relived many times during the last two days. The world is a little lonely. Love and prayers to all the family and friends of these two great people.*
